ABOUT

The WESCAs (World Energy Supply Chain Awards) is a flagship celebration of excellence, innovation, and achievement across the global energy supply chain. This celebration invites the industry's best and brightest to come together for an unforgettable evening celebrating the organisations and individuals driving progress across the energy sectors.

Renowned for its prestige and impact, the WESCAs form part of a wider programme of celebrations held across multiple countries, culminating in the opportunity to celebrate the very best of the energy supply chain on a truly global stage. Award categories span innovation, exports, digitalisation, diversification, sustainability, and many more, reflecting the breadth and ingenuity of the sector.

This year's ceremony will feature a Halloween-themed twist, bringing red-carpet masquerade glamour, excitement, and buzz to the most anticipated night in the energy supply chain calendar. With a captive audience of 60+ senior decision-makers, innovators, and industry leaders, the event provides an exceptional platform to elevate your brand and connect with influential stakeholders.
