CONNECT

Energy Brazil

A full-day event dedicated to business opportunities in the Brazilian energy sector. The programme includes five thematic panels: E&P, Green Energy, Subsea, Refining and Natural Gas (LNG). At the same time, there are one-to-one meetings, reinforcing our commitment to providing networking opportunities for the supply chain.

Highlight your company to a qualified audience from the sector, including the main EIC member companies.

Gain more exposure to new products or key developments about your company.

Promote your brand and services to the speaking companies and strengthen your presence in the industry.

The platform for the supply chain to engage, discuss, and identify business opportunities in the Brazilian energy market.

Why Sponsor?

Sponsoring the event offers an exclusive opportunity to strengthen your brand among your target audience. Your company will gain **visibility** even before the event, through the EIC's **marketing campaigns**, including posts on LinkedIn, WhatsApp and mailings. During the event, your brand can be featured on banners, gifts and in the digital brochure. In addition, sponsors have priority in scheduling one-to-ones (business rounds), increasing the chances of establishing **strategic connections** with companies of interest. You can also apply for a presentation slot on the event's panels, exponentially increasing your **exposure**.

Who should attend?

- Energy companies already based in Brazil
- Local companies seeking partners
- Companies seeking business opportunities in Brazil
- Companies looking for business opportunities in Brazil
