The Department for International Trade (DIT), in partnership with the Energy Industries Council (EIC), invites British companies involved in the renewable energy sector to join the Trade Mission to Brazil on the occasion of the event **UK & Brazil Partners in Energy 2022**.

UK & Brazil: Partners in Energy is an annual event that aims to promote and strengthen the partnership between UK and Brazil in the energy sector, through knowledge and best practices sharing. In its 9th edition, it will be a platform for British and Brazilian companies to discuss the future of the energy sector, its challenges and opportunities.

The 3-day programme includes meetings with the main Brazilian stakeholders, the opportunity to speak at the UK&BR Partners in Energy event and participation in the Networking Reception – Queen's Birthday Party.

In partnership with:
