About the Energy Exports Conference 2023

The Energy Exports Conference is the #1 event to identify global energy opportunities and meet key decision makers.

With **2000+ delegates** anticipated to attend in person from across the industry, sponsors and exhibitors will gain unprecedented access to their target market of UK suppliers, major global operators, contractors and supporting partners.

Building relationships with key business partners is fundamental to the Energy Exports Conference and as part of the sponsorship and exhibiting programme your brand will have an unparalleled level of exposure to key decisionmakers within the global energy industry.

Why sponsor?

- Raise your profile with global operators and contractors seeking to engage with the UK supply chain
- Increase brand awareness and enhance credibility of your company/product
- Improve your media exposure and promotion through association mailings, website, social media and on the event website and app
- Develop new contacts with access to delegates and speakers through various newsletters, online promotions, social media
- Generate sales, acquire new customers, and form new business partnership

Find a package to fit your objectives and budget or get in touch so we can tailor a package that maximises the return on your investment.
