

Where will you go next?

The EIC manages the UK national pavilion at most of the major international energy exhibitions as well as organising and managing overseas delegations each year. These activities provide an invaluable opportunity for companies to access markets and make vital contacts with the key players in the energy sectors.

Officially appointed contractors and freight partners to service all UK Pavilion exhibitors
Don't go it alone
 Ideal for first time exporters in the comfort of the UK Group

Insight & Intelligence
 Help to identify upcoming regional projects, potential partners and customers with facilitated key introductions by EIC and DIT

"From initial enquiry to show days, The EIC team have been very friendly and accomodating."

The whole EIC Pavilion is presented to a very high standard and projects a professional image of the UK."
 Abacus Lighting

"The EIC provided plenty of opportunities for networking both on the UK Pavilion and their own side events."

Being under the UK banner has meant we have met a lot of top calibre customers and end users"
 Hughes Safety Showers

Exceptional networking
 Side events organised with the Dept for International Trade, plus regular presentations within the UK Pavilion Lounge which draw visitors to the group

60,000
