

Offshore Container Fleet Guide

Solutions designed to drive forward
the offshore energy industry.

Standard and bespoke cargo
handling equipment for the
safe carriage of cargo in an
offshore environment.

oeg.group

Offshore Container Fleet

Units certified in accordance with DNV 2.7-1, 2.7-3, EN 12079 or ISO 10855

Key

Heights taken at stacking blocks on all units.
All dimensions and weights are accurate at time of printing.
Please check exact specifications of units when ordering as dimensions and tare weights are of the most recent additions to the hire fleet.

Container Type
