Breakdown of participation costs

There are various cost elements involved (all excluding VAT), as detailed below:

SPACE

The cost of space is **£510/sqm**.

FACILITIES CHARGE INCL. SHELL SCHEME

In addition to walls, carpeting and company/UK identification the shell scheme package will also provide power, lighting, display aids and furniture.

Facilities include stand cleaning, a UK Group refreshment area, a UK Group brochure, public relations, project management, organiser's costs, UK Group branding, hanging banners and lounge consumables.

The above will be charged at a rate of **£250/sqm**. See the alternative "Free-build" option below.

"FREE-BUILD" OPTION (LIMITED SPACE)

If you wish to construct your own stand, in addition to the charge for space, a supplemental facilities fee of **£140/sqm** will be chargeable to recover EIC's costs of ancillary facilities listed above (apart from shell scheme and furniture package). PLEASE NOTE that exhibitors exercising this option will not be allowed to use hanging banners and walls cannot be constructed any higher than four meters.

Please note - as the design for the ADIPEC stand build includes over-hanging plinths, you will need to allow space for this along the back wall and sides by about 50cm.

INSURANCE FEE (NEW FOR 2017)
